Chapter 3
Roll
Ah!
THUNK
DROWSY
DROWSY
Ooh

...
SKRITCH
SKRITCH
SKRITCH
AH!
HEY, KII-CHAN. IF YOU'RE TIRED, YOU SHOULD TAKE A NAP.
BUT IF I DON'T SUBMIT MY HOMEWORK TOMORROW...
A 15-MINUTE NAP IS ENOUGH.
YOU WON'T BE PRODUCTIVE IF YOU'RE SLEEPY.
LOOK, YOU'VE MADE 2 MISTAKES HERE
AH ..

HOW CAN I TRUST YOUR CRITERIA?
THAT'S MY CRITERIA ANYWAY.
IF YOU'RE MAKING BASIC MISTAKES YOU USUALLY WOULDN'T, IT MEANS YOU NEED A NAP!
clack
AH TRUE...
BUT ONCE YOU'VE DECIDED ON IT, YOU HAVE TO STICK TO IT!
YOU CAN SET YOUR OWN CRITERIA.
IF YOUR PRODUCTIVITY IS LOW, IT'S TIME TO TAKE A NAP!

CLICK

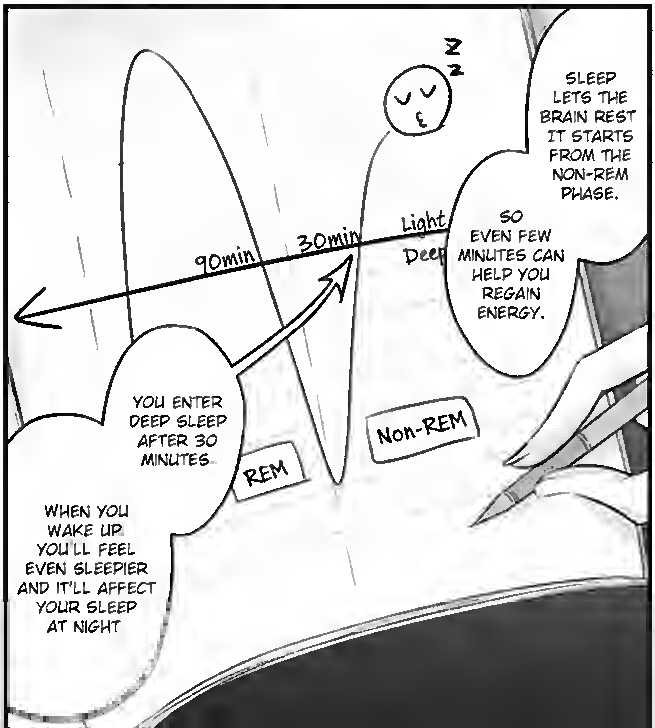
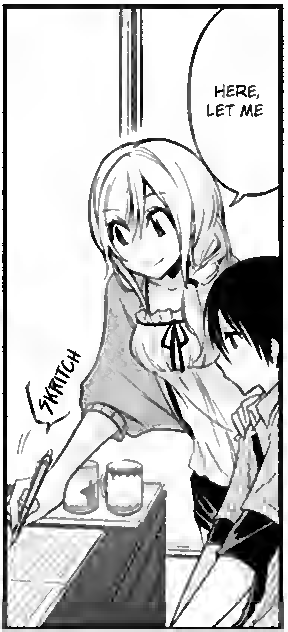
ta
da
KII-KUN,
HERE'S SOME COFFEE.

AH, WHAT'S WITH THAT SUSPICIOUS EXPRESSION?!
This will keep me awake.
WHAT ABOUT MY NAP?



SLEEP LETS THE BRAIN REST IT STARTS FROM THE NON-REM PHASE.
SO EVEN FEW MINUTES CAN HELP YOU REGAIN ENERGY.
90min
30min
Light
Deep
YOU ENTER DEEP SLEEP AFTER 30 MINUTES.
REM
Non-REM
WHEN YOU WAKE UP, YOU'LL FEEL EVEN SLEEPIER AND IT'LL AFFECT YOUR SLEEP AT NIGHT



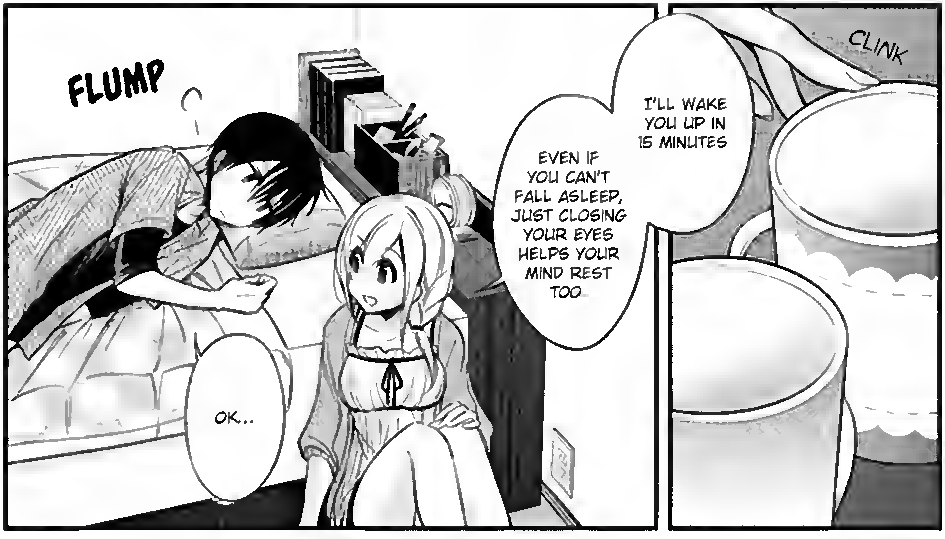
HERE, LET ME
SKRITCH

THAT'S WHERE THE COFFEE COMES IN!
COFFEE STARTS TO ACT WITHIN 30 MINUTES.
IF YOU TAKE A NAP DURING THIS PERIOD,
YOU CAN AVOID ENTERING DEEP SLEEP.
30min
Light
Deep
Non-REM
AH. BUT I DON'T DRINK COFFEE WITHOUT MILK AND SUGAR.
I'LL DRINK THE EXTRA COFFEE~
I'LL GO POUR OUT SOME COFFEE AND ADD MILK IN THEN.
OH YOU PREFER MILK COFFEE?
YOU'RE STILL A KID.
Hmph.
HERE YOU GO
MMM, WHAT A GROWN-UP TASTE!
I CAN FINISH THIS QUICKLY TOO...

AH! YOU NOTICED?
Yay!
YEAH, IT'S A PRETTY COLOR.
Like candy

YOU PAINTED YOUR TOENAILS? THAT'S RARE

I CAN'T PAINT MY FINGERNAILS BECAUSE OF MY JOB
BUT IF I DO MY TOENAILS, ONLY KI-KUN AND I CAN SEE IT.
THAT'S GOOD ENOUGH FOR ME!
Ahaha!
IT'S SOMETHING FUN I DO WHEN I'M AT HOME



FLUMP
I'LL WAKE YOU UP IN 15 MINUTES
EVEN IF YOU CAN'T FALL ASLEEP, JUST CLOSING YOUR EYES HELPS YOUR MIND REST TOO.
OK...
CLINK

...
ZZZ
WHAT...?
HMM...
I CAN'T SLEEP IF YOU'RE STARING AT ME..
TCH!
SO SEEING YOUR SLEEPING FACE IS RARE.
Well, USUALLY, I'M THE ONE WHO SLEEPS FIRST

Streeetch
YOU DON'T LOOK THE LEAST BIT REFRESHED
Ohh,
THAT'S JUST WHAT MY FACE IS LIKE.
STRANGE..
I NEED TO GET UP EARLY TOMORROW, SO I'M GOING TO SLEEP FIRST.
OK, GOOD NIGHT.
I FEEL MORE AWAKE.
TIME TO FINISH THIS!
YEAH! THAT'S GREAT!

KER-CHAK
Ahhhhh
CLACK
I drank too much coffee and can't sleep
*Depending on the volume drank and the person's weight, the effects of coffee can persist for more than 2 hours. For some, it can even last more than 10 hours.
